1. GRRPAIR-18 will be available for W/T training in Frankfurt from 9 June - 15 June 1962. He plans to arrive in Frankfurt by car at approximately 1400 hours, 9 June, and will await contact at 1430 hours in front of the Hauptbahnhof. GRRPAIR-18 will carry with him a current copy of "Der Spiegel" and the "Sueddeutsche Zeitung". Verbal recognition signals are as follows:

Case Officer: Kommen Sie aus Muenchen?

GRRPAIR-18: Nein, ich fahre nach Muenchen.

2. Since this will be GRRPAIR-18's first formal training session for over a year, we shall be most interested in WUCA's assessment of his performance and potential. This is particularly important since GRRPAIR-18 will only be able to make one one-week trip per year to Frankfurt. He has stated that he believes he can arrange three to four short short (three day) jaunts to Munich per year, but due to family and job obligations will be unable to go to Frankfurt more than once a year. We should, therefore, appreciate WUCA's opinion on whether GRRPAIR-18's potential is sufficiently good to justify continuance of his training on this basis.

3. GRRPAIR-18 has been given a travel advance and subsistence for his training session in Frankfurt.
